The Executive Engineer, Nellore Division, having in his letter No.444, dated 22nd July 1898, reported that the sanction conveyed in G.O. No.463 L. Mis., dated 13th March 1898 for the sum of M.400 therein referred to was received in his office after the close of the last official year and that, in consequence, the grant was not utilized by him, the Nellore Taluk Board has in its resolution No.135, dated 31st August 1898 resolved to renew the whole amount (M.600) of the sanctioned estimate for the work in question. I have the honour to request that the Accountant-General may be asked to place the sum at the disposal of the Public Works Department for the current official year.

Enclosure.

From the Executive Engineer, Nellore Division, No.444, dated 22nd July 1898.

I have the honour to request that you will be good enough to arrange for the very early provision of funds required for the work " Constructing a culvert over the central channel at 2 M, 3650 feet" for which an estimate of M.600 was sanctioned in G.O. No.297 L, Mis., dated 18th February 1898.

A sum of M.400 was allotted in G.O. No.463 L.Mis., of 12" March 1898 for expenditure on it during 1897-98, but as the above sanction was received in this office after the close of the official year, it was too late to put the work in hand and utilize the grant.
