L. E. VI case

for the

Letter from J. C. D. Partridge Esq
Ag. Collector of Madras to the Comm.
-ative Engineer, Periyar Works Madras
dated 7th September 1898 L. on C No. 2102/98

With reference to your endorsement No. 462. D. dated the 25th July 1898, I have the honor to state that as it appears from the judgment of the District Munsif that the plaintiff practised a deliberate fraud upon the officers of Government and that the Government pleader took great trouble to expose it before the Court, the extra fee of Rs 100 claimed by the Government pleader is reasonable. He had to put in seven appearances in this case and in five of these he seems to have been fully occupied with the examination of witnesses and the argument of the suit. In these circumstances I consider that the fee claimed by him may be sanctioned.

2. The enclosures received with your
