Memorandum No. 2142.

READ the following paper:—

Copy of note by the Honourable Sir Henry Bliss, No. C. of E., dated 22nd September 1898:-

I see this proposal for additional expenditure has not been to Financial Department for counter-initials. I think all such proposals should do so before execution. Once the Member in charge of a department has sanctioned additional expenditure not provided for in the budget or capable of being met by savings, and perhaps a G.O. has issued in the Department concerned, it is almost impossible for the Financial Department to interfere effectively, and thus the control it should exercise is lost.

Copy of the foregoing note is forwarded to all departments of the Secretariat for information.
