FOR ORDERS.

With reference to His Excellency's
remarks in the accompanying
draft order I beg to point out
that I asked the same question
of the Super Dyg. vide cones

in reply that the garden is
more than we have care
properly kept up. The necessity
for the proposed establishment
is due to the fact that the
Head Const. Collector of North
Arcot has been transferred
& the appointment of his successor
seems to be indefinitely delayed.
It may be said that it is not
the duty of the State to maintain
a garden in proper order
during the time that the

 view might be accepted, but
 as I presume, a Head Const

 ascertained from the Dept

 pity to allow the garden to

 in the absence of supervision, and I believe there
 was in this case, be little or no supervision, -
 I doubt if the gardener will give much of
 his time to this garden.
