REF. ON *Am.* No. *1428 of 1898*

A. Bullock Esquire L. Esq.
of COLLECTOR OF
the Nilgiris.

THE SECRETARY TO GOVERNMENT,
Public Works DEPARTMENT.

ENCLOSURES

ES. I have the honor to submit herewith a draft declaration and 5 tracings showing further lands to be acquired under the Land Acquisition Act for the construction of the new Haubler Road, and to request that the Government may be pleased to authorize me under sec 17(a) of the Act to take immediate possession of the land as it is urgently required by the Executive Engineer on Special duty, O.S.A. Cannund.

2. The Statements of Miss Leggatt and Messrs A Wapthorne,

A.R. Winterton, and C. Akilaudaya
are herein enclosed for the informa-
tion of the Government and
favour of return. Those of Mr.
Jahis Mahamad Sait, Dr. Browning,
and Mrs. Morgan will be
obtained & submitted shortly.

3. In lieu of Kaudalund,
the tobas will be given another
grazing ground.

4. It is proposed by the
Executive Engineer to give Mr. Winterton
and Dr. Browning other lands in
exchange. As regards Mr. Akilauda
Dyr, although he has agreed
to make a free gift of the land,
since he has been promised
a grant in exchange of strips
of Government waste lying
between the new road and
his property.

Concerning all these pro-
posed exchanges, I have asked
the Executive Engineer for further
information. Meanwhile, I have
raised the Executive Engineer's
valuation of Rupees 1000 per acre
to

to Rupees 2000 which I have taken
as the general value and which
is certainly not excessive; indeed
it is probably too low a figure
in some cases. The pieces of
land already belonging to
Government have been omitted
from the notification.

Apparently none of the
owners except Mr. Akilaudaya
will make an absolutely free
gift of land, though some are
willing to exchange for other
land. Even Mr. Akilaudaya's
promise is vague & he will
again be asked to explain
definitely whether he surrenders
all land required free of cost.

I have the honour to be,
Sir,
Your Most Obedient Servant.
