last pay certificate, the Examiner requires orders of Govt:

(1) approving of Mr. Hannan's action in resuming charge, on return from privilege leave, of the II Circle at Nellore by wire.

(2) directing that Mr. Lewis' special leave shall begin in India at the end of the subsidiary leave otherwise admissible, without forfeiture of his subsidiary leave.

(1) Mr. Hannan was permitted in G.O. No. 1861 W & 23rd July, 1898, to hand over and resume charge at Nellore, on proceeding on & on return from privilege leave. Mr. Hannan did not hand over charge at Nellore, but he resumed charge from Mr. Lewis at that station by wire on return from leave. The Examiner does not consider the G.O. sufficient authority for Mr. Hannan's action, and requires another order sanctioning the arrangement, to which there is no objection.

(2) Mr. Lewis was granted 6 months' special leave with effect from the 10th October or date of relief. He was relieved by Mr. Hannan on the 8th October, and his subsidiary leave commenced on the 9th Oct. and expires on the 20th October. Mr. Lewis however sails

+ I did not recommend his leave until all fear of famine has been allayed

sails from Bombay on 22nd October will thus not embark from India within his subsidiary leave. He was prevented from doing so by causes entirely beyond his control. Sanction to his application for leave was postponed as it was considered at the time that the leave would have to be refused owing to the prospect of famine relief works having been started. When the leave was granted, Mr. Lewis had to postpone his date of sailing to 22nd October as he was unable to complete his arrangements. He would otherwise have sailed on the 13th October. An order directing that his special leave shall commence ^{in India} from the end of his subsidiary leave is required with reference to Art. 354 (b) of the C.S. Regulations. There is no objection to

OFFICE NOTE No. 3523 B/2

To

W.

To enable me to complete the final last pay certificate of Mr. W. C. Lewis Executive Engineer 1st. grade proceeding on special leave on urgent private affairs, I would request to be favored with early orders of Government on the following points.

(1) Whether Mr. Hannan's action in having resumed charge on the 8th. October 1898 afternoon of the 2nd. Circle on return from leave, at Nellore by wire, without securing the presence of Mr. Lewis who officiated for him, meets with the approval of Government

In G.O. No. 1861 W dated 23rd. July 1898, sanction was accorded to Mr. Hannan handing over and resuming charge at Nellore, on proceeding on and on return from privilege leave. The privilege accorded in this G.O. was not availed of by

Mr. Hannan on proceeding on privilege leave and it is doubtful whether it can be considered as sufficient authority for resumption of charge from Mr. Lewis, at Nellore, by wire.

(2) Mr. Lewis states that he intends sailing from India at Bombay on the 22nd. October 1898 while the maximum subsidiary leave admissible to him is only 12 days (inclusive of 2

^x Sundays not actually spent in travel- ^x 9th. and 16th. October 1898

ling) from 8th. October 1898 afternoon (assuming this date will be approved of by Government). He has also written to say that he would apply to Government for permission to count his furlough from the 20th ^x as his sailing was delayed by causes beyond his control.

Orders of Government directing that the special leave will begin in India at the end of subsidiary leave otherwise admissible without forfeiture of subsidiary leave are necessary under article 354 (b) of C.S.R.
