Expenditure. The budget estimate of expenditure for 1898-99 under 44. Imperial Military Works was fixed at Rs 70.802. This has been increased to Rs 79.515 by an additional allotment of Rs 8.715 subsequently sanctioned by the Government of India for completing the construction of married quarters for four families of the British Infantry at West-hill, Calicut. The work has since been abandoned and a fresh estimate called for for remodelling the old quarters. A sum of Rs 8.653 is held in reserve for the latter work. Such portion of the amount as is unnecessary or cannot be utilised in the current year, will be surrendered to the Government of India later on.
