G.O., No. 1232, Public, dated 28th September 1898.

Read—again the following paper:—

G.O., No. 1228, Public, dated 28th September 1898.

ABSTRACT.—Recording returns of lands submitted by certain officers for the year 1897, and directing that the returns may be dispensed with in the case of Military officers in Civil employ and Covenanted Civil (Stanley) Engineers in the Public Works Department.

Order—No. 1232, Public, dated 28th September 1898.

The returns of lands held by officers during the year 1897 having been submitted in a variety of forms, the Government considers it necessary to direct the attention of all officers concerned to the rules on the subject. The form of return to be used by all officers in superior service is Form A printed on page 8 of the rules regulating the personal conduct of Government servants. Form B, which relates solely to the register to be maintained by heads of departments, should on no account be used for the annual return.

2. As, however, the preparation each year of complete lists and descriptions of lands held involves unnecessary labour, the Government is pleased to direct that any officer who prefers to do so, may, in any year in which he has neither acquired nor become dispossessed of landed property, submit, instead of the return in Form A, a certificate to the effect that there has been no change in his landed property during the year. The certificate should be as follows:—

“I, A.B., do solemnly declare that I do not at this time possess, either in my own name or in that of any other person, any land or any beneficial interest in land other than what is entered in the return submitted by me (here enter date of the last return submitted in Form A).”

The first return submitted by every officer will continue to be in Form A, and that form must also be employed if an officer has become possessed or dispossessed of land during the year.
