Note. In L. O. No 1550 W dated 21.6.

Govt: authorized the recovery of the advance received on first arrival by Mr. Formby, Asst. Engr., being deferred till his return to duty. Mr. Formby, who has been on sick leave from 11th April to 10th Oct 98, has incurred

a further liability of Rs 272 on account of hospital stoppages. The Examiner applies for orders whether he can comply with Mr. Formby's request that these liabilities may be recovered from the salary due to him from date of his return from leave, in the same way as the balance of the advance has been ordered to be recovered. The total leave allowance due to Mr. Formby for Aug. & Sept is Rs 182-11-5 & there is also a sum of Rs 67-12-2 due to him on account of arrears of Exchange Compensation allowance, but the total of these two sums, Rs 250-7-7, is less than the amount (Rs 272) that has to be credited to him on account of hospital charges. It is submitted that the recovery of the hospital charges may be deferred as requested by Mr. Formby.

The extension of furlough for one month on medical certificate granted to Mr. Formby in Notice No 4241 C D 27.9.98 expired on 10.9.98, but he was unable to return to duty till 10.10.98. A formal application for the further extension, supported by a medical certificate, is being awaited.

3. The actual date and hour of Mr. Formby's return from leave has not been intimated, but the 5 months leave

leave on medical certificate already granted to him from 11th. April 1898 expired on the afternoon of the 10th. September 1898. If, as appears to be the case, he had returned to duty after the date (11th. September 1898 forenoon) on which he was due, an application for extension of leave, supported by a proper medical certificate will have to be obtained from him.

4. The leave allowances of Mr. Formby for August and for 1st. to 10th. September 1898 have yet to be paid to his Agents, and, assuming that he will be granted extension carrying his leave to end of September 1898, at least, the total due to him for August and September/98 would be Rs. 182-11-5, exclusive of a sum of Rs. 67-12-2 on account of arrears of Exchange Compensation allowances for the period 19th. November 1897 to 31st. January 1898. Mr. Formby requests that the above sums may be paid to his Agents, but as the amount (Rs. 272) on account of hospital stoppages has to be credited to Government, I would request to be favored with orders of Government as to whether Mr. Formby's request may be complied with.
