No. 1340

From

F. W. ASHPITEL, Esq.,

SUPERINTENDENT OF WORKS,

LIGHT-HOUSE DIVISION,

Madras,

To

THE Chief Engineer,

Public Works Department.

SIR,

In continuation of this office No. 1328 dated 14th October 1898 I have the honor to inform you that I hope to be able to reduce the loss therein reported by bringing the cement back to Madras and having it re-burnt and ground. I cannot hope that the cement will come up to its original quality but the re-burning and grinding will, I understand only cost Rs 20/- per ton or say including freight Rs 28/- per ton. The total loss will in this case be reduced to Rs 1120/- + cost of renewing sheds and the cement can be used for minor works.

I have the honor to be,
Sir,
your most obed^t. serv^t

W. H. C. P. S.
Superintendent of Lighthouse Division
