Copy of Letter No 612 S. D. 15/12/97
from G. J. Hancock Esqre. Executive
Engineer Godavari Eastern Dist. to the
Supt Engineer I. C. C.

With reference to the correspon-
-dence ending with your No 1986 G. S. dated
19-12-96 regarding the sanction for the
entertainment of a temporary Clerk on
Rs 15 per mensem for 6 months for
preparing Spont lists ordered in your
endorsement No 752 G. S. dated 8th July/94
I have the honor to state that these lists
carefully compiled by the Delta sub DC
officer have all since been received
and their publication in the District
Gazette as suggested by the Collector is
delayed for want of a Clerk whose
whole time must be devoted to writing
a list of the Sponts &c.

2. The Irrigation Clerk does the following
work

(1) Maintains Land Compensation
Registers.

(2) Receives Lock Tappal and writes
out a Challan for packets despatched

(3) Compiles a general water report for

the whole Division and submit it daily
to the Executive Engineer for approval
and return.

(4) Disposes of water applications
and fair copies letters &c.

(5) He maintains the grass sale,
Cross land, spout and prosecution
registers.

Therefore his whole time cannot be
devoted to the preparation of the lists.

3. In deciding cases of mischief
to irrigation Channels &c filed by the
P.H.D., the Tahsildars and Stationary
Sub Magistrates call for authorized
spout lists, which the Delta Superintendents
could not produce owing to there being
none. These calls have been too
many of late.

4. I also understand that
temporary Clerks for preparing spout
lists were sanctioned for the Western
and Central Divisions where there are
irrigation Clerks also. Under these
circumstances, I strongly recommend

the entertainment of a temporary
Clerk for 6 months on a salary of
Rs 15, for the preparation of the spout
lists &c and a proposition statement
is herewith submitted for early sanction.
