The Chief Engineer,
P. W. Department.

Sir,

I have the honor to inform you that the persons attached to the Algiers Sub. Division petitioned on the 20th March 1897 that, as papers they had to carry during the rainy weather were liable to become wet they might be supplied with umbrellas, also with towels and blankets.

2. In reply the Executive Engineer was, in this office No. 196 C.S. dated 1st April 1897, informed that the annual supply of warm clothing

clothing to lascars in the Nilgiri
Sub Division had been sanctioned
at a cost of Rs. 75 in the aggregate
or Rs. 15 per man, in G. O. No. 2026W
dated 28th July 1891, and that sum.

May 4

Umbrellas and turbans could be
supplied without exceeding the
sanctioned amount with reference
to G. O. No. 3089W dated 30th November
1893.

May 4

3. The Examiner asks for the
sanction of Government for the
admission of the charge on account
of umbrellas and turbans, as they
are only admissible to peons of
Secretariat offices.

4. In these circumstances,
I request you will be good enough
to obtain the orders of Govern-
ment authorizing the Examiner
to admit the charge already
incurred

incurred, as a special case.

I have the honor to be
Sir

Your most Obedt. Servant

Admnd

Superintending Engineer
