From

THE CHIEF SECRETARY,

To

THE SECRETARY Public Works DEPARTMENT.

Your office note No. 424/C of the 24th instant. The directions of the Government of India communicated in G.O., No. 1020, Financial, dated 6th December 1897 are not due to any misunderstanding on the part of this Government but are only temporary instructions for its guidance until the whole question is fully sifted.

The Madras Quarterly lists are compiled by the Superintendent, Government Press, from the Office Notes he forwards to the Financial Department in accordance with G.O., No. 5, Financial, dated 2nd January 1895. As these Office Notes are in every case forwarded through the department concerned with the publication mentioned therein, it is unnecessary to communicate the quarterly list to other departments.
