Copy of letter from H. A. Moss Esquire, General Superintendent, P. W. Stores, to the Supg. Engineer, 5 Circle, No. S. 369 dated 15 March 1899:

In returning your No. 82 P.W.S. dated 2nd March 1899, I have the honour to inform you that the rate for asphalt obtained from the India office has been entered. It is not Harrison's asphalt however, but Val de Travers which is probably of a superior quality which may account for its higher price.
