SIR,

2. ENCLOSURES.

1. Revised Lite plan
1 original - do.

I have the honor to bring to
your notice that the original site se-
lected for constructing a Sub Registrar's
office at Pallambadi in Trichinopoly
District, sanctioned in G.O. No. 2751 W of
25 September 1896 has been found un-
suitable as there is a difficulty in
acquiring the land, the same being
Inam land and further the sole object
to the construction of the office on the ground
that they have to perform certain ceremonies
in connection with their village deity.

2. Another site has been selected in consultation with the Collector, and the revised site plan which has been countersigned by the Inspector General of Registration, is herewith sent. It would appear that the proposed site is Govern-

ment Pramboko land and I request
that sanction of Government may be
obtained to the change of site.

3. The plan of site originally pro-
posed and sanctioned in the G.O. quoted
above, is also forwarded for your informa-
tion and return when done with.
