2. The work was approved of in G.O., No. 1015, Judicial, dated 16th July 1897.

3. The amount of the estimate includes Rs. 2,148 for the purchase of the site, sanctioned in G.O., No. 1099, Judicial, dated 15th July 1898.

(Signed) A. R. KNAPP,

The estimate, as thus modified, is recommended for sanction.

REMARKS.

The plan & estimate under sanctioning
amounting to Rs. 4,100 has been framed
with reference to G.O. No 2120 W
dated 3rd August 1897 (Flag N)
and provides for constructing
a second class Police Station
house at Varigumbadi in the
Salur District.

The estimate has been based on
the type design circulated with
G.O. No 1828 W dated 2nd August
1880 for tiled roofing.
Provision of Rs. 2,148 has been made
for the purchase of the site selected
by the Inspector-General of Police

and approved by the Judicial
Department.

The estimate provides for Mangalore
tile roofing on teak purlins with
pine wood ceiling, rafters being
arranged at 2 1/2 feet apart.

As the saving is small,
the roof, as originally
designed, can stand

It is thought a more durable
roof, with a slight saving in cost,
can be put in by imbedding
Mangalore tiles in cement 1/4"
thick over flat tiles, rafters being
arranged at 1'9" apart, with
1/2" pine wood ceiling for lock
up rooms only, to prevent prisoners
escaping.

Provision has been made for asph-
alting the lock up. As W. disapproves
this floor in the plains, this
quantity has been added to plain
brick flooring as allowed for in
the other rooms.

The above deviations will reduce
the amount of estimate by
Rs. 30 and is shown in pencil
