ABSTRACT.—Recording, with reference to the reply telegram, telegram from the Government of India, Revenue and Agricultural Department, requesting a reply by wire as to the number of copies of the Famine Commission's report and appendices required by the Government of Madras.

In continuation of my Circular No. 20—90-9, dated the 24th November 1898, I am directed to inform you that the Superintendent of Government Printing, India, at Calcutta, has been instructed to forward to your address the number of copies of the report of the Famine Commission and of its appendices (volumes I to VI) noted in the margin.

Report *	200
Appendix II	100
Appendices I and III to VI ...	4

* Inclusive of 2 copies already supplied.

2. I am to explain that the full number of copies of the report asked for in your reply to this department's telegram No. 999, dated the 14th May 1898, are being supplied, but that of the appendices, volumes I to VI, which contain the evidence recorded by the Commission in the several provinces, only a small number of copies has been printed for circulation, as they are not of general interest. Of volume II which contains the evidence collected in Madras, 100 copies will be forwarded, and this number will, it is hoped, meet the requirements of your Government.

3. Volume VII of the appendices which contains miscellaneous papers is still in the press. The same number of copies of this volume will be supplied as of the report.

ORDER—No. 181, Revenue, dated 14th March 1899.

The copies of the report and its appendices will be distributed as shown in the list appended to the present order.
