READ—the following paper:—

From W. C. DEMORGAN, Esq., M.I.C.E., Executive Engineer in charge, I Circle, to the Chief Engineer, Public Works Department, dated Waltair, 23rd March 1899, No. 683 G.E.

I have the honour to bring to your notice that an estimate of Rs. 7,100 has been sanctioned by me for repairs to the roofs of blocks in the Central Jail, Rajahmundry, to be executed before the next rainy season.

2. The Inspector-General of Prisons, in countersigning this estimate, expressed a desire that the actual execution of the work might be entrusted to the Jail Superintendent, who, he said, had a large number of convicts trained in building and who could carry out the work expeditiously. He further requested me to put the Jail Superintendent in funds in the event of acceding to his proposal.

3. As the procedure suggested by the Inspector-General is admissible under Code, paragraphs 73 and 75, Chapter III, Volume II, I have, in anticipation of Government sanction, ordered the Executive Engineer, Gódvári Eastern division, to open an imprest with the Jail Superintendent.

4. The Executive Engineer now informs me that an imprest of Rs. 1,000 has been accordingly opened and I have the honour to request that necessary sanction of Government for the appointment of the Jail Superintendent as an imprest-holder under the Executive Engineer, be obtained under paragraph 75 (3), Chapter III, Volume II of the Code.

ORDER—No. 1101 W., dated 24th April 1899.

The execution of the work in question by the Jail Department is sanctioned under paragraph 65, Chapter IX, Volume I of the Public Works Code.

2. The Superintendent of the Central Jail, Rajahmundry, will be treated as an imprest-holder under the Executive Engineer under paragraph 75 (3), Chapter III, Volume II of the Code.
