With reference to your No 802 W dated 15th March 1899, I have the honor to inform you that the Inspector General of Registration in reply to an enquiry from the Executive Engineer North Arcot Division writes "that the type design of 1891 is being revised by the Consulting Architect to Government and that the Sub Registry office at Pakala may be built on the design for 3rd class offices after it has been approved by Government."

2. In these circumstances the preparation of the estimate called for will be postponed till the receipt of the revised design.

I have the honor to be
Your most obedient Servant
Admitted.

Supg. Engineer
