TANK RESTORATION SCHEME.

Madras, 20th April 1899.

OFFICE NOTE.

No. 819.7.

To

E. W.

In G.O. No. 2155 W dated 29th August 1895, sanctioning the permanent establishment for the Tank Restoration Scheme, a tracee on Rs 15 per mensem was provided for the Central Office Tank Restoration Scheme, and a W^m Taylor who was a tracee on Rs 12 was promoted to this place, obtaining the necessary exemption from Examination rules as he is an unpassed man. W^m Taylor was again given a temporary promotion in the office.

Office of the Chief Engineer as an alternative.
for Irrigation, & he is still doing
duty there.

It is found difficult to get a
man having the necessary general
educational qualifications with
a knowledge in drawing for the
place of the tracer, and even
if such a man is available he is
ineligible for promotion when
vacancies of draughtsmen occur
in the office.

Under these circumstances
I request you to have the designation
of "Tracer" on Rs 15 per mensem
provided in the permanent establish-
ment sanctioned for Tank Restoration
Scheme, in G.O. No. 2155 W dated
29th August 1895, changed as "Tracer
or Draughtsman" on Rs 15 per
mensem, so that a draughtsman
who will be eligible for promotion
in the Drawing Branch of the
office may be employed, & when
such a man is not available,
a tracer may be appointed
as
