PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Inspector-General of Registration, Madras,
G.No.2114, dated 3rd April 1899:—

At the instance of the Executive Engineer,
Chingleput Division, I have the honour to request that the
Government will be pleased to issue orders for the prepara-
tion of plan and estimates for the construction of an office
building for the Sub-registrar of Poonamallee, in the
Chingleput District, on the design for 3rd class offices
approved in G.O.1061, Judicial, dated 9th July 1898.

2. The old building in the cantonment in which the
Sub-registrar's office has been held, has been pronounced by
the Executive Engineer to be very unsafe and to be past re-
pair. He thinks that it would be cheaper to construct a new
building on the standard design than repair the ~~old~~ one.

3. The office has been removed temporarily to a rented
building.

O.F.D.E.R.:—No.634, dated 22nd April 1899.

The Inspector-General's proposal is approved and
the necessary orders for the preparation of plans and
estimates will issue in the Public Works Department.
