Letter from H. E. Clerk Esquire Executive Engineer,  
Bellary Division, to the Superintending Engineer,  
III Circle, Bellary No 801 dated 2nd February 1897.

I have the honor to inform you that the Adorin  
Municipal Council fixed the annual rentals

1. Deputy Collector's office Adoni - Rs 600 of the marginally noted building,  
2 Salug Catcher's Adoni = Rs 2666. at the figures set opposite each.  
3 Tiffin Shed - Do = 30 They were unusually high and  
4 Sub-Registrar's office Do = 300 I appealed against these, but the  
Council confirmed the valuation of the Deputy  
Collector's office and reduced that on the Sub-Reg-  
-istrar's office to Rs 240.

The Tiffai Shed which is an adjunct to the Salug Casherry had been assessed Separately and this has been remitted on appeal.

2. I Consider that Rs 40 per month is an ample high rent for the Deputy Collector's office and that a 2 roomed building like the Sub-Registrar's office cannot possibly expect to realize more than Rs 15 per mensem.

The rest of the Shauldari Cutcherry may be  
put down at Rs 200 a month.

3. I have the honor to request you will be good enough

enough to move Government to reduce the  
assessments accordingly.

to 538. N dated 6 February 1899.

Copy submitted to the Chief  
Engineer P.W.D. Madras with a request that  
Government may be addressed to reduce  
the assessments. The proposals of the  
Executive Engineer appear to be very reason-  
able.

Signed / W. Baddeley
