FINANCIAL DEPARTMENT.

READ—again the following papers:—

G.O., No. 982, Financial, dated 25th November 1897.

ABSTRACT.—Directing the publication in three consecutive issues of the *Fort St. George Gazette* of the Resolution of the Government of India stating that the Secretary of State has sanctioned certain concessions to officers employed on duties connected with famine relief or the plague.

G.O., No. 622, Financial, dated 18th July 1898.

ABSTRACT.—Communicating to the departments of the Secretariat and to all heads of departments under the Chief Secretary resolution of the Government of India regarding the scope and interpretation of the orders contained in Resolution, No. 5047 P., dated 15th November 1897, granting certain concessions to officers employed on duties connected with famine relief or the plague.

READ—also the following paper:—

From A. H. L. FRASER, Esq., C.S.I., Officiating Secretary to the Government of India, Home Department—Public, to the Chief Secretary to the Government of Madras, dated Simla, 15th April 1899, No. 773.

I am directed to state that the question has been raised for how long the special leave concessions for plague work granted by the Resolutions of the Government of India in the Department of Finance and Commerce, No. 5047 P., dated the 15th November 1897, and No. 2852 P., dated the 29th June 1898, shall continue.

2. The Government of India have decided that the period of the concessions shall run for two years from the issue of the Resolution of the 29th June 1898. The special leave may, under these orders, be taken at any time before the 29th June 1900 for plague service rendered at any time before that date. The concession will not be continued beyond the year 1900, because it was intended as a reward for special services rendered during the stress of a temporary calamity; and the Government of India have recognized that it is no longer possible to treat plague duty in this manner by relaxing the orders prohibiting the grant of special allowances to officers appointed to plague duty in addition to their ordinary work.

ORDER—No. 557, Financial, dated 28th April 1899.
