Submitted to the Chief Engineer, Public Works Department, for approval and sanction, with reference to his Circular No. 5613 C., dated 13th December 1898.

2. *Items* 1 *to* 5.—Absolutely necessary to keep the office latrines clean.

3. *Items* 6 *and* 7.—The appointments were first sanctioned in G.O., No. 1157 W., dated 27th April 1891, and the necessity for the same explained in paragraph 4 of the letter printed with G.O., No. 1152 W., dated 19th April 1890, still exists.

4. *Items* 8, 9, 11 *and* 12.—The appointments are consequent on the execution of tank restoration scheme estimates. As the works are still in progress and these will involve additional work, the establishment is necessary.

5. *Item* 10.—Required to carry on the duties connected with the head-quarter sub-division in personal charge of the Executive Engineer. The necessity for this is fully explained in the correspondence forwarded with this office No. 965 T.N., dated 10th December 1898.

6. *Items* 13, 14, 15, 16 *and* 17.—The services of a Special Engineer will be required during next official year in connection with the Periyár works, and hence the necessity for the establishment.

7. *Items* 18 *and* 20.—Necessary for the investigation of certain projects in the Madura division.

8. *Items* 19 *and* 21.—As the surveyor and lascars were entertained only in the middle of November 1898, their services are necessary for the remaining period of the sanction already accorded. The services of the surveyor will be dispensed with if a permanent upper subordinate is posted for the work.

9. *Items* 22 *to* 25.—The appointments were first sanctioned in G.Os., Nos 746 W., dated 2nd March 1896, and 873 W., dated 10th March 1896, and the necessity for the same still exists.

Note. The menial servants shown in the proposition statement are annually entertained and their services are absolutely necessary.

2. The proposal to retain the 2 clerks on Rs. 15 each, one in the Northern Subdivision of the Trichinopoly Division, and the other in the Srivaikuntham Subdivision of the Tinnevelly Division, may be allowed, as the Suptg: Engineer reports that the circumstances which necessitated their first entertainment in 1891 still continue to exist

3. The Suptg: Engineer applies for the retention of a clerk on Rs. 25 and a draftsman on Rs. 30 in the Tinnevelly Division, and of 2 clerks, one on Rs 20 and the other on Rs. 15 per mensem, in the Madura Division. These men were originally entertained in connection with the execution of I.R.S. works. As Rs. 60,000 & 50,000 have been provided for I.R.S. works in the Tinnevelly and Madura Divisions, respectively, the Continued employment of the men is [illegible] to be necessary and may

Items 8 & 9 in present list

Yanks 1716 C dt 21.3.99

1. The remarks in my office note No 100 dt 13.3.99 had reference to the Tinnevelly Division* – I do not know the grounds on which an additional clerk is considered necessary for the Madura Dt

2. Item 10. My impression is that the head quarters subdn in Madura is very small and has very little work in it. I think enquiry should be made regarding area and expenditure before the clerk asked for is given

3. In the body of the Statement the 12th item is bracketed with the Periyar establishment but in the remarks the S.E. refers to this item
