1. The old building was vacated on the completion of the new one. The different departments have been addressed as to where they require it or not. A watchman is necessary to look after it in the meanwhile & one has been appointed from the 1st April 1899.

2. The Coast: Dist: of Dover was transferred and vacated the building on the 4th April 99. It is quite needless say that a watchman should be the charge of it as long as it is vacant. The main service will be discontinued as soon as it is occupied again.

11. *Incettine Equina*
