Note. With his letter No. 2330, 98-
29 March 1899, the Supdt. of Lighth
Lighthouse Division

Lighthouse Dr, Submitted
for sanction a supplemental
estimate of Rs. 700 to cover the
value of 10 tons of cement damaged
in transit to the Manapand
Lighthouse. In this office
Memo. No. 1971C, of 7th April 1898
the Supdt. of Works was asked
to submit full information
as to how, when, and where the
cement was damaged, and
whether the damaged cement was
likely to fetch any price. In
reply, the Supdt. of Works states
that the cement was forwarded
to Manapand by country craft
in November 1898, that the cement
was damaged owing to the bad
weather met with by the boat
on her voyage, that he is unable
to give details as to how, when
and where the accident happened,
that the cement was insured against
the total loss of cargo & not partial loss, and
that the damaged cement is not likely
to fetch any price. In the above
circumstances it is proposed
to sanction the estimate.

OFFICE OF THE SUPT. OF WORKS, LIGHT-HOUSE DIVN.,

Egmore, Madras,

Dated 4th April 1899.

No. 260

From

F. W. ASHPITEL, Esq.,

SUPERINTENDENT OF WORKS,

LIGHT-HOUSE DIVISION,

Madras,

To

THE

Chief Engineer
Public Works Department
Madras.

SIR,

With reference to your No. 1971C dated 4th April 99, I have the honour to inform you that

- (1) The Cement was forwarded to Manapad by Country Craft and bad weather was met with on the voyage in the month of November 1898. I am unable to specify how when and where in greater detail than this. The Cement was insured against total loss of Cargo but not against partial loss as no Company will take up a policy for the latter.
- (2) I would point out that several hundred tons of Cement have been despatched for works in this Division and that with this exception the loss during transit has been practically nil.
- (3) The Cement is not likely to fetch any price.

I have the honour to be,

Sir,

Your most obedient servant

Capt. S.
Compt. A.

W. Ashpitel

Superintendent of Light House Division

Public Works (1899) Department.

CURRENT No. 2832

Further explanation is unnecessary. Manupad is in a sandy desert with no roads to it. Materials have necessarily, unless real source is incurred in carrying, the latest thing. From the Supdt. of Works, Light House S. Madras. No. 1971C of 7.4.99. Memo: were damaged by the sea, as reported by light. Order: With reference to his letter A K 6.4.99. No. 2330

No. 2330 of 29 March 1899, the Supdt. of Works, Light House Division, is requested to see so far as to submit full information as to how, when, and where, the cement was damaged, and whether the damaged material is likely to fetch any price. Dated 29 March 1899 Received 30.3.99 Registered Enclosures 1 Estimate. Spare copies
