FOR ORDERS.

With his Office Note No. 240 A/2, dated 23rd February 1899, the Examiner, P. W. Accounts, submitted a proposition statement for the entertainment of an additional clerk on Rs. 50 per mensem for the Establishment branch of his office, and enclosed an extract of the letter from the Accountant General, Bv. D., approving the proposal, but no explanation was afforded as to the necessity for an additional hand. The Examiner was therefore asked to furnish the necessary explanation supported by statistics, vide O/Memo No. 1228 C, dt 2nd March 1899. In reply that officer forwards the

that there is at times need for an extra hand in the Establishment branch; that the sanction of Govt will not, as a matter of course, be followed by the appointment of a clerk unless or until the occasion for one arises; and that what is asked for is authority to engage an extra man if & when the work is such as to necessitate it. It is thus clear that there is no imminent necessity for this extra clerk. In these circumstances, it is submitted that the Examiner may be told that his request cannot be complied with, and that he may renew his application when the necessity for an extra hand actually arises.

OFFICE NOTE No. 240 A/E

To

W.

I beg to forward, herewith, for favor of sanction of Government a revised proposition Statement showing the temporary establishment required - for my office for 1899-1900.

2. In this statement provision has been made for an additional temporary clerk on Rs: 50/- per mensem for the Establishment Branch of my office vide my foot note in the proposition statement forwarded with my O.N.No.23 A/E - dated 7th: January 1899 and sanctioned in G.O.No.296 W dated 31st: January 1899. The approval of the Accountant General, P.W.Department in terms of note to P.W D.Code I.I.43 has since been received. I enclose an extract from his letter - for your information.

Copy of letter from the Examiner P.W.Accounts,Madras and Coorg to the Accountant General,Public Works Department No.54 A/2 dated I7th: January I899.

With reference to the correspondence ending -- with your letter No.I53I E dated 9th: Ultimo,I have the honor to ask a reperusal of para 5 of my letter No.48I A/E dated I8th: April I898 and para 3 of my letter No.648 A/E dated 27th: May I898,and to explain that,as in the case of the Account Audit - Branch of this office,the scale which allows for I2 clerks for the Establishment Branch was evidently fixed at an absolute -- minimum,and that experience has proved beyond doubt that this number is inadequate if the work is to be done as expeditiously and with the degree of thoroughness which it should be - Further, as explained in my previous letters,calls on my office generally have multiplied during recent years in many miscellaneous ways, and this in a peculair degree applies to the Establishment -- Branch. It is no exaggeration to say that at present the energies of this Branch in endeavouring to cope with the amount of work that has to be dealt with are altogether overstrained, and this even with the exclusive help of one of the Assistant Accountants whom I have been obliged to specially attach to that Branch.

2. It will be seen from para 9 of my letter No.48I A/ dated I8th: April I898 that I have not yet availed myself of - the two additional temporary clerks (one on Rs: 40/- and -- another on Rs: 30/- per mensem) which were approved of in -- your letter No.I895 E dated 30th: November I898 in connection with the new Light House Division,so that virtually I am not now asking for more,or even as much as has already been agreed to by you,and the necessity for your formal approval in the present instance only arises through the fact of your approval -- being necessary to the Temporary Establishment for my office to be provided in the Budget Estimate for I899-I900.

3. I may further mention that out of the Rs: I,20

This proposal though approved by the Accountant General was rejected by Govt, vide G.O. No: 873 W&A 26-3-99 This fact does not appear to have been brought to the notice of the Accountant General when this letter was addressed to him. Jha

thus far allowed for Temporary Establishment Rs: 720/- is absorbed in the sanction for a Temporary Clerk for the Madras -- Harbour Works Accounts, leaving only Rs: 480/- for Temporary -- Establishment which I venture to think will be admitted as a very moderate provision for a large office like this.

4. I might dilate at length on a variety of -- further points in support of the contention that the additional Temporary Clerk is the least I feel compelled to ask for, but I trust I have said enough in a general way to establish the -- validity of my request.
