ORDER. No. 1510 Wg 10.6-88

Mr. Harpers request for
an increase to his pay cannot
be complied with, as it is re-
ported by the Suptg. Engineer that
a gradual reduction of work
may be expected as the West
works approach completion

The Suptg. Engineer proposes
that Mr Harpe should be promoted
to ~~some~~ higher paid appoint-
ment elsewhere when a vacancy
occurs. The Government can
give no aid to this effort.

FOR ORDERS.

Mr. D. Harper, Storekeeper
on Rs 60, in the Kistna Eastern
Division, applies for an increase
to his pay which he considers
"very small when compared
with the considerable amount
of responsibility and arduous
work" appertaining to the post.
2. The Supty. Ingr. testifies
to Mr. Harper's good work, &
considers that he has fairly
earned an increment to his
salary, but in view of the
fact gradual reduction in
the amount of work, both in
workshops & stores, to be expected
as the Kistna works approach
completion, he is of opinion
that it is undesirable to
increase establishment char.

in either workshops or stores at Bezwada. The Supty. Engr. recommends that Mr. Harper's services should be rewarded by his appointment to a higher post elsewhere, when a vacancy occurs, rather than by an immediate increase of pay.

The pay of the post held by Mr. Harper was originally Rs 30 per mensem. In G.O. No 3161 W, d 16.11.87, it was raised to Rs 40; in G.O. No 2217 W, d 14.8.90, it was increased to Rs 50; and in G.O. No 1053 W, d 24.4.94, a further increment was sanctioned, making it Rs 60, this rate of pay being considered personal to Mr. Harper.

It will be seen that Mr. Harper has had several increases; that his last increment was given years ago; & that the pay of the post has been doubled, but Mr. Harper still asks for more, a gradual reduction of work may be expected as the extra works approach completion, it is submitted

Mr. Harper's request has been negatived. The Supty. Engr's proposal that Mr. Harper should be provided for else could be carried into effect if Govt. so orders, when a vacancy occurs, but there do not appear to be sufficient grounds for doing so. As it is, Mr. Harper draws a good deal more than the majority of storekeepers in the P.W.D. & there is nothing special about his case. He appears to have done his duty properly & nothing more.

hi

I most respectfully beg to lay the following circumstances to your kind consideration, trusting you will kindly take a favorable view of the same.

I have been employed in the U.S.A.
for the last 29 years, 16 years in the
Bureau of the State Dept. as asst. Secy and
16 years as Asst. Secy of the Navy, during
which period I have I believe given every
satisfaction to all my superiors, please
see papers file in Com. Office, as well as
in the Inf. to Engineers Office.

The pay I draw now is Rs 60 which is very small when compared with the considerable amount of responsibility and arduous work I am placed under. The average value of stores (tools & plant and other) is more than three lakhs of rupees and is being daily increasing, and all articles manufactured in the Co. have to pass through my hands and have to be shown in my books, and I am made

responsible for them.

There are three Storekeepers in the
P. O. three Graduates whose salaries are
as follows.

Chief Storekeeper Rs 160 + 20

Asst. Storekeeper Rs 80

Deputizing Storekeeper Rs 80

Under these circumstances and in
consideration of the increased responsibility
and heavy work devolving upon me, I
beg you will kindly take my case into
consideration and be pleased to recommend
me for an increase of pay.

The last increase I had was in April
1894 from Rs 50 to Rs 60.

Yours truly and of kindest regards,
I am, Sir, very
Sd/- Thankful.

To increase establishment
 charges in either workshop
 a store at Beved and if
 there is any prospect of
 promotion in a reasonable
 time to a higher paid appointment
 else where (such as Asst
 Storekeeper or Asst. P.W. &
 Storekeeper) I think the
 service rendered should be
 regarded rather of the consideration
 of claim to such a post than
 of immediate increase of salary.

I assume that Mr. Harper has been asked to
 pay. Considering the value of stores etc
 passing through his hands and the fact that he
 has worked just satisfactorily for a long time I think
 the rise justifiable. His pay is low as compared
 with that of the persons employed in the P.W.D.
