PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the President, District Board, Godavari, No. 706, dated 19th March 1899, forwarding with recommendation letter from the District Board Engineer, Godavari, requesting that the training which Mr. Manuel has undergone may be declared to be equivalent to the training in the College of Engineering prescribed for the post of overseer.

Note by the Chief Engineer, Public Works Department.

Mr. Mannel appears to be a thoroughly practical mechanic and has apparently had experience of other engineering work. I consider that his case might well be brought under the reservation "or such approved service as the Governor in Council may consider equivalent to this" - laid down in G.O. No. 2773 L dated 12th December 1893.

Endorsement of the Public Works Department, No. 2241 C, dated 2nd May 1899.

Transferred to the Local and Municipal Department.

Order No. 1086 L.Mis., dated 25th May 1899.

The remarks of the Chief Engineer, in which the Government concurs, will be communicated to the President, District Board, Godavari.
