Sir, Mr. J. S. Harris has been employed as a temporary draftsman in this office since June 1891. Mr. J. S. Harris sent for him from Umballa, as he failed to get a man here to get on with plans requiring skilled draftsmanship altho. he tried very hard to do so. He has been temporarily exempted from passing the 1st class draftsmans test. He is one of the best workmen met with, honest, hardworking & faithful. always obedient. He is without doubt the best draftsman we ever had in this office. If you will kindly speak to the Chief Engineer & obtain a permanent appointment for him as a special draftsman in this office, you will be conferring a benefit on the office to a really great man.

To

L. S. J. Harris Esq.

Sir

May I request you to kindly obtain sanction of Government to my being made permanent. It is now 8 years since I have been employed in this office as a temporary draftsman and I am anxious to obtain sanction of Government to my continuing on the temporary establishment. It is being obtained from year to year.

2. I would respectfully solicit a reference to my personal case & to the file relating to the temporary establishment of this office. Government have already been informed that although I am borne on the temporary establishment, I was practically permanent & that my services have been so useful that they were required as a permanent arrangement. Owing to the pressure that then prevailed, the proposal to
