I have to report that the duties of the watchmen at Mogalrazaपुरam quarry are exceptionally onerous and involve the care of the stock manufactured and the tools and plant at the Quarry.

The place is somewhat isolated and the watchman is required to pass the night there as well as to assist in the issue of tools and other duties in the quarry during the day.

The pay proposed Rs 7-0-0 is under the circumstances not excessive.

I have the honor to be
