Mr. Brodie's Continued
employment as temporary Engineer

Circulated to His Excellency the Governor

FOR ORDERS

(1) vide G.O. N. 1668 W. of
4.7.98, flagged 'D'

(2) vide para 5 of the letter from
the Govt. of India recorded
in G.O. N. 917 W. of 22.4.95,
flagged 'E'

In July last, Mr. D.
Brodie was appointed temporary
Engineer on Rs. 250 per mensem,
for a period of twelve months, and
posted to the Coimbatore Division
for employment on the Anamalai
Ghat roads. It is recommended
that sanction be accorded to
his Continued employment for
a further period of twelve months,
as the Department is short-handed
at present. The number of officers
now absent on leave or deputation
is 15, that is, 5 in excess of the
provision made for absentees⁽²⁾
in the Engineer Cadre sanctioned
for this Presidency. Of these
absentees, several have taken
leave on account of ill-health.
Under such circumstances,

The entertainment of temporary
Engineers to Supplement the
Permanent Staff is admissible.

recorded in G.O. No. 13284 of
6.6.95, flagged 'F'

Mr. Brodie is doing good
work in the Ananabai
plant road, and I propose
to retain his services
at least until the completion
of that work.

(1) Mr. X. Brodie's term of
Appointment as temporary
Engineer on Rs. 250. will expire
next month. If it is intended
to retain his services for a
further period, sanction of
Govt. to his continued em-
ployment has now to be
applied for.

2. The number of
absences on the Engineer Estab-
lishment is, as shown below,
in excess of the provision (viz. 10)
made for the purpose in the
Engineer Cadre sanctioned
for this Presidency:

S.E.'s on leave	3
E.E. on duty in the Office of Engineering	1
E.E.'s on leave	10
A.E. - do	1
Total No. of absentees	15

This circumstance is
warrantable ⁽³⁾ an application to
Govt. for sanction not only
to the continued employment
of Mr. Brodie, but also to the
entertainment

entertainment of a few more
Temporary Engineers. But the
Case for the entertainment
of such officers, though thus
apparently strong, is really
weak in view of his Excellency's
remarks recorded in the "note
for orders" attached to G.O. N^o. 8/11W
of 25.3.98, which are as follows:

"I feel bound to point out
to the Chief Engineer that
if the Department be short-
handed, leave, except for
sickness, should not be
granted"

Of the officers now
on leave, only two (Messrs.
Somers-Eve and Russell) have
been granted leave on account
of ill-health.

Submitted for
Orders.

I thought he did, but I
can't find it.

(b) from S.H.W. note of 14.3.98, flagged 'W', it is
be seen that the question was answered
