SUBJECT.

Note. The invention is an im-
portant ^{one} & is to my knowledge building cement
based on some remarkable tests
made by Mr. Aschpitz in which
soaked concrete gave results as
good as Portland cement con-
crete. The blocks of soaked con-
crete were sent for chemical analysis
yes to Mr. Hummel, who thereupon
applied for this patent. At 5. 5. 99. 4/19/5

Miscellaneous

To

The Secretary to the Government of Madras,
Public Works Department.

Simla, the 27th April 1899.

Sir,

I am directed to forward the accompanying application of Mr. W. Fennell for leave to file a specification of an invention for the production of a building cement and to request that, with the permission of His Excellency the Governor, the Government of India may be furnished with the opinion of an expert, to be written on the enclosed printed form, on the novelty of the invention.

I have the honour to be,

Sir,

Your most obedient servant,

O. C. Lees

Under Secy.to the Govt.of India.

Documents accompanying.

Application and Form referred to.
