21st December 1898.

Sir,

With reference to your letter No. 2957 W of 21st November 1898, I have the honour to inform you that the Emery wheels under item 94 have been supplied with 4" hole as demanded in the indent.

The difference in diameter of the holes will not however affect the utility of the wheels as they are held between flanges and do not fit on the spindle.

In other respects both items 93 and 94 have been supplied in accordance with the requirements specified in your letter above-mentioned.

I have the honour to be, Sir,

Your obedient Servant,

Grant Aul

Director-General of Stores.

The Secretary to Government,
Public Works Department,
Madras.
