Letter from the Suptg. Engineer, V. Circle, No. 340. W. D.
6th June 1899

Note by the Chief Engineer, P. C.

With his letter read above,
the Suptg. Engineer, V. Circle,
Submits for the approval of
the Chief Engineer, a list of
books which he proposes to
purchase for the library of
the V. Circle office. This list
is approved

2. The proposal to purchase
the books second hand is
also approved. But if they can-
not be purchased locally, they
will have to be obtained through
the Agency of the Financial Dept.

3. It is observed from the
probable price of books given
in the list, that the total cost
will come to Rs. 204 which
exceeds the limit of Rs. 200
prescribed in No. 931 W. dated
29th March 1899. This limit should
not be exceeded

4. The Suptg. Engineer's proposal
to locate the library at Bangalore
instead of at Madras, is approved

approval of ^{EW} Govt. a list of
books which he proposes to
purchase for the library of
the V Circle Office.

The total cost of these
books will be Rs 204 which
exceeds the sum allowed
for each Circle Office. It is
presumed that the price
of the books shown in the
statement submitted by the
Supt. Supr. is that of new
books. If this is so, then
the limit will not be
exceeded as the Supt.
Supr. as the Supt. Supr. pro-
poses to purchase second hand
copies.
