Note. When the letter to the D.G.
of Stores, No. 1373 W. 2731-May 1899 was
drafted by me, I omitted to make a
note in the draft that the plan
received from the Admiralty should
also be sent up to the D.G. of Stores.
This omission occurred through an
oversight which was chiefly due to
the pressure of work at the time when
the proofs of several budgets had
to be passed through the press.

May

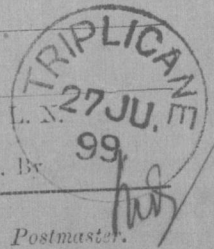

The greatest care is necessary
in sending home indent and
no excuse is good enough to
for such an oversight - every
possible precaution must be
taken to render them complete
