GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—again the following paper :—

G.O., No. 32, Financial, dated 10th January 1891.

Read—the following paper from W. P. AUSTIN, Esq., C.S., Acting Superintendent of Stationery, to the Chief Secretary to Government, Financial Department, dated Madras, 20th December 1890, No. 1912 :—

As there is not sufficient accommodation in this office for storing the waste-paper forwarded by public offices at the Presidency, and as it is not safe to allow such inflamable material to be lying about accumulated on the office premises, I have the honour to submit that the following plan would be both convenient and safe, viz., that I should arrange from year to year with a contractor to buy all waste-paper at a fixed rate, particulars of which should be published in the Gazette, and that on intimation being given to such contractor direct by the officers concerned, he should go round as required and receive the waste-paper from them after paying for it at the settled rate. I request that Government will be pleased to accord its sanction to the plan now proposed.

Order—No. 32, Financial, dated 10th January 1891.

The Government accepts the proposals of the Superintendent.

2. A circular should in due course be sent to all public offices concerned.

(True Extract.)

(Signed) J. F. PRICE,
Chief Secretary.

To the Superintendent of Stationery.

Read—also the following paper :—

From H. BRADLEY, Esq., I.C.S., Acting Superintendent of Stationery, to the Chief Secretary to Government, Financial Department, dated Madras, 15th May 1899, Dis. No. 1182.

I have the honour to submit a list of the officers who sold waste-paper to the contractor during 1898–99 and the amounts received from each. The Government expects all officers at the Presidency, who do not utilise waste-paper for packing, &c., to sell it to the contractor, who uses it in the manufacture of country paper which is purchased by this office for covers.

2. From the statement in the Civil List of offices at the Presidency, it appears that the following offices among others did not sell any waste-paper during the year :—

Private Secretary to His Excellency the Governor.
The Small Cause Court.
The Presidency Magistrates.

The Presidency Port Officer.
The Director of Public Instruction.
The various Principals of Colleges and other Educational officers.
The Surgeon-General.
The Presidency hospitals.
The District Surgeons.
The Translators to Government, excepting the Canarese Translator.
The Board of Examiners.

3. I bring the matter to the notice of Government as there appears to me to have been a loss of revenue. In some offices the waste-paper is removed each day by the sweeper instead of being kept until enough has accumulated to sell. I believe that the examination papers of students are returned to them. I submit that this system might be reconsidered. There must be a large amount of such waste-paper which would realise a considerable sum.

4. I enclose a copy of this year's waste-paper notification.
