P.K.S.
Note. It will be seen from the linked file that the
requirements of incomplete works have not been fully
complied with.

Estimates for all the works mentioned in para.
of the draft order except item 11 have not been
sanctioned and under para 79, Chapter III, Vol I
of the P.W. Code, Executive Engineers are strictly
prohibited from commencing the construction of any
work or expending public funds without the sanction
of competent authority. It is therefore proposed to resume
the allotments for these works and keep the amount

thus withdrawn in reserve to comply with urgent demands.
3. The allotment of Rs 10,000 to the West Coast Division under
"Repairs" is required for repairing Wyand and a small bridge

I have quoted the number
of the order wrongly
apparently. The date
is probably right.
The order refers to the
with drawal of certain
allotments. I have just
signed the printed copy
of the order, but have
never seen any papers
connected with it
