ORDER.

Under para 26, Chap I
Vol I of the P.W. Code, the
grant of the second periodic
increment of Rs 50 to Mr. J. D.
L. Calder, Accountant, 1st grade
& Honorary Assistant Examiner
is sanctioned with effect
from the 1st April 1898

Note - Para 26, Chap I, Vol. I of the P.W. Code lays down that 2 periodic increments of Rs 50 per mensem may be granted by Govt. to Accountants 1st grade of long & meritorious service. The 1st increment may be given after

5 years in receipt of the maximum pay of the grade & the 2nd increment after 10 years of such service. The increments are not to be given merely on account of long service, but only on special recommendations to the Local Govt. in each case on account of exceptionally good service.

The Examiner reports that Mr. J. D. L. Calde, Accountant, 1st Grade (Hony. Assistant Examiner) who is in charge of the Establishment branch of his office, has been in the 1st Grade since March 1883 & that the conditions under which the increments may be granted appear to be fulfilled in his case.

The History of service of gazetted officers shows that Mr. Calde was 1st Grade sub permanent from 30.3.83 & was made permanent on 10.8.88. His 1st increment of Rs 50 was granted with effect from 1.4.93 & his 2nd increment ^{is} due on 1.4.98.

As regards his service, so far

far as the records of this office show, he was granted in G.O. No. 2118 W D 8.8.87 flagged R an honorarium of one month's pay for work in connection with the revision of the old Madras Code & in G.O. No. 3032 W dated 26.9.88 flagged B he was granted the rank of Honorary Assistant Examiner.

The Examiner reports highly of Mr. Calde's work & recommends the grant of the increment with effect from the 1st April 1898.

The Examiner was asked to state why Mr. Calde has only now been recommended for this increment although he became eligible for it on 1.4.98.

In reply the Examiner states that his predecessor Mr. Dennis gave a too strict interpretation to the code rule, & considered that Mr. Calde ^{did} not quite fulfil the requirement as regards

regards "meritorious service".

The Examiner adds "My view of the character of Mr. Calder's service is that so far as the work of an accountant can be meritorious his work has been so. This must have been the opinion of the Officer who recommended & of the Local Administration which ~~accepted~~ granted his first increment. Mr. Calder has I believe always been considered a very capable Accountant. He is far above the average of Accountants in his ability to prepare a difficult case for orders, or to apply the rules to any complicated question. He is an excellent Office Supdt. & highly respected by the Office. He is to say the very least, as smart reliable & meritorious in his work as others who within my knowledge have obtained their increment".

In the face of the
high

high opinion expressed by the Examiner of Mr. Calder's work, it is submitted that the 2nd increment may be sanctioned from the date it became due - viz. 1 April 1898.

My predecessor Mr. Denny gave
perhaps a too strict interpretation to -
the code rule, and considered that Mr. --

My view of the character of
Mr. Calder's service is that so far as
the work of an accountant can be merito-

have been the opinion of the officer who

Mr. Calder has I believe always been con-
sidered a very capable accountant - He is

his ability to prepare a difficult case
