FURTHER PAPERS

G O.	No.	Department.	Date.

Rupees (8000) eight thousand plus cost of conveyance by steamer to Tuticorin which I am unable to quote at present. The Port Officer seems confident that no establishment would be necessary as he could use the engine room crew of the ~~XXXX~~ "Margarita" and his own boat crew.

The cost might be met from the sum of Rs.60,000 provided in the Budget for reclamation of foreshore and pier at Mangalore provided the whole sum will not be required during the year for the above purposes.

Read the following:-

Copy attached x
Letter from the Presidency Port Officer, Madras, No. 963/
100 B, dated 2nd May 1899.

Order thereon No. 511 Madras/10th June 99.

The purchase of a steam cutter for the use of the Port Office, Tuticorin, at a cost of Rs. 8,000/-, exclusive of expenses of carriage, is sanctioned. There is no budget provision for the expenditure but it is understood that there will be a saving of Rs. 8,000/- in the allotment in the Public Works Budget of Rs. 28,000/- for a Port Office and residence at Cochin. The question of transferring Rs. 8,000/- of that amount from the Public Works, to the Marine, budget to meet the cost of the steam cutter will be considered in the Financial Department.
