OFFICE NOTE No. 665 ^A/_A

To

.W.

In G.O. No. 3304 W dated the 20th. December 1893, the date of the submission of the accounts of the Presidency Workshops Division was fixed at the 20th. of the month following that to which the accounts relate, but it is found that the accounts for March of that Division cannot be rendered to my office by the 20th. April. There are numerous adjustments necessary before closing March's accounts, and I can scarcely hope to receive them before the 7th. May.

2. I therefore recommend that the date be extended to the 7th. May in the case of March's accounts from the Workshops Division.
