In G.O. No. 3190 W, dated 15.11.97, the grant of a first increment of Rs 50 per mensem to Mr. Joyce, Ex: Engineer, 1st Grade, was refused on the ground that the conditions for the concession, as specified in para 13, chap I, Vol. I of the P. W. Code, viz: four years' approved service, had not been fulfilled in this case.

In Memo No. 543 C dy 14.12.97 the Supdg. Engr., VI Circle, was requested to specially watch Mr. Joyce's work & report upon it a year hence.

The letter quoted above is the Supdg. Engr's report on

on Mr. Joyce's work.

Col Boddy reports that Mr. Joyce has done his utmost to push on with the works in his division, that he has been energetic in the inspection of his works, & that the arrangements he has made to have them carried out have been satisfactory.

The Supty. Engr. considers that there has been a marked improvement in the management of his Division by Mr. Joyce during the past year, & ~~this, Col. Boddy is of opinion,~~ due to the better personal attention that Mr. Joyce has given to the works in his charge & to the disposal of references. I cannot say other evidence of this improvement has reached me, but the Supty. Engr. is, of course, in a far better position to judge of this. Mr. Joyce's work, and he may do Mr. Joyce injustice if he do not accept this favourable report *

~~The undersigned now~~ I therefore recommends that Mr. Joyce ~~is recommended~~ be granted the 1st periodic increment of £50 with effect from the 1st October 1898.

Mr. 17.12.98.

17-12-98

Under ordinary circumstances Mr Joyce would have got it on 1.10.97.
