THE Superintending Engineer,
11 Circle

SIR,

Inverting to my letter N^o $\frac{47}{52}$
 of 11th August 1898 I have the honor
 to inform you that on receipt of G.O.
 N^o 2567 of 5 October 1898 I paid the
 D^y Registrar of High Court Rs 3-7-
 for copying charges of a certified
 copy of the Court decree permitting
 one of the partners of the Warlock Canner
 way contract to collect & receive all
 outstanding due to them in res-
 spect of the contract, but the Exam-
 ner objects to the payment & states
 that it should be borne by the
 Contractors themselves, as in their in-
 terest the copy has been obtained.
 I have however addressed the Con-
 tractor

ENCLO. *hil*

- tractor with a view to the re-
covery of the amount under the
circumstances of the case but
without effect. I request therefore
that you will move Government
to authorize the Examiners to ad-
mit the charge in question.

The copy was required as much
in the interests of Government as
in those of the Contractors inasmuch
as without it there would have
been a risk of payment being
made to the wrong man.

I have the honor to be,

Sr,

Yours most obedt Servt
