Precis of Correspondence

The Executive Engineer Kurnool Division on receipt of G.O. N^o 683 W dated 7.3.1899 granting special allowance of Rs 30 per mensem to Mr. E.L. Taylor Accountant Kurnool Division for his service during famine. Recommended his present Accountant Mr. Muhammed Satiff Husain Sahib for the grant of similar allowance under article 94 of C.S.R. as his duties during famine involved decided increase of work and responsibility in comparison with those of his regular appointment.

In this Office N^o 1451 of 13.4.1899 The Executive Engineer was informed that the Accountant was not entitled to the allowance recommended, as it was granted only to those that were transferred from other Divisions for famine duty and Mr. Muhammed Satiff Husain Sahib was only an Assistant Accountant.

The Executive Engineer again recommended the grant of special allowance under article 94 of C.S.R. stating that such allowance is admissible not only to deputed accountants, involving change of stations, but also to those whose duties involved a decided increase of work and responsibility which condition the present Accountant has fulfilled to the satisfaction of the Executive Engineer.

considerable force in the Executive Engineer's
Arguments in support of the allowance
being granted.

In my opinion, there are no grounds,
for an application to India, for the grant
of a special allowance to Mahomed Latif
Hussain Saib Accountant.

Special allowances were granted by the Government of India owing chiefly to their loss of Presidency Allowance and Presidency House Rent and to the extra expense they were put to. Mahomed -- Latif Hussain was attached to the -- Kurnool Division as Assistant Accountant previous to the famine and was -- during the famine, working under Mr. -- Taylor, who was the senior Accountant in responsible charge of the accounts of the Division.
