SUBJECT

Note - The Chief Engineer for Irrigation, Tank Restoration Scheme, states that on the T.R. scheme being made permanent, Nos 2 & 5 parties were formed ^{separate} into sub-divisions, but the sanction of Govt. was not obtained as required by para 64, Chap III, Vol I of the P.W. Code. In the case of Nos 1, 3 & 4 parties such sanction was applied for & accorded. The Examiner now requires formal orders of Govt. in the case of Nos 2 & 5 parties.

In practice each T.R.S. party has always been treated as a subdivision
