I am directed to solicit
the sanction of the E. & G. India
to the grant of a local allowance
of Rs. 30 to Subconductor S.
Hearne, Sub Engineer Station
at Yercaud ~~in~~ the Sheveroy
Hills ⁱⁿ this Presidency. There
is no regularly constituted
P.W. Subdivision working in
the locality; but the Subconductor
has been on Special duty
there in connection with the
Sheveroy Ghat Road Survey.

$$\left[\frac{P. W. 4}{1,000 - 14 - 11 - 98.} \right]$$
 H229/b R47.

Since 25 March 1898. The
cost of living at Yicand
is reported to be very much
higher than in the plains,
and the pay of the Deputy
Tahsildar at that station
has in consequence been
fixed ^{by this Govt} at Rs. 120 with a
local allowance of Rs. 30
per mensem.

2. Subordinate Stenue being
on special duty does not
even draw the Subdivisional
allowance which ordinarily
would otherwise be re-
ceiving. His case is considered
to be one of peculiar Land-
ship; and I am accordingly
to recommend the Govt. to
him with retrospective effect
of a local allowance of
Rs. 30 per mensem.

I have the
honor of
Yours faithfully
W. B. R.

Note. The statement that the Dy. Tehsildar at Yercaud gets a local allowance of Rs 20 does not appear to be correct. If the

The Revenue Dept. Res. Officers

do get a local grant allowance, this will strengthen Sub conductors case when sent for consideration.

Letter from Mr. G. B. Lambert,
Executive Engineer, Salem Division,
No. 50 S.E., dated 23rd January 1899.

Enclosure 1
1 statement

Under para 66, chapter
XIII of the Civil Travelling
Allowance Code, I have the honor
to request that you will kindly
obtain the sanction of Govern-
ment for a bill allowance
with retrospective effect to sub-
Conductor S. Hearn who is
now employed on special duty
at Yercaud.

2. I enclose a copy of
a statement prepared by Mr.
Hearn showing the difference
of cost of living in Yercaud
and Salem, from which it
can

Can be seen how hard it is on
Mr. Hearn with his large family

3. I find the Deputy Taidar
at Yercaud gets a local allow-
ance of Rs 30 per mensem and
I beg to recommend that the
same allowance be granted to
Mr. Hearn, who being on special
duty does not even draw Sub-
Divisional allowance. I under-
stood from the Chief Engineer
that he had recommended an
allowance to those employed
on the Nilgiri Hills.

4. In this connection
and owing to the difficulty and
expence of travelling and to parts
being very feverish, I would fur-
ther recommend that the She-
waroy Hills be included in the
list of places in which extra
travelling allowance can be drawn.

No 55
N dated 6th February 1899

Copy submitted to the Chief
Engineer P.W.D.

The Code referred to by
the Executive Engineer is not now
in force.

It is thought that Mr.
Hearn should be placed on the
same footing in respect of a local
allowance as subordinates of the
Revenue Department stationed
at Yercaud.

The undersigned does
not support the proposal made
in para 4.
