The JOINT SECRETARY to the GOVERNMENT of INDIA,
Public Works Department.

Sir,

In forwarding the accompanying copy of Proceedings of this Government No. 1837 W., dated 15th July 1899, I am directed to state that in Colonel Smart's letter No. 428 W., dated 10th February 1899, the sanction of the Government of India was applied for to the construction, from Provincial funds, of quarters for the Postmaster at Gokavaram in the Gódávari district at an estimated cost of Rs. 944, and this sanction was accorded in the letter from the Government of India, No. 359 C.W.B., dated 25th April 1899. The Accountant-General, Madras, now points out that, in accordance with the statement on page 555 of the Civil Account Code, Volume II, the charges on account of Post office buildings in the Public Works Department are debitable to Imperial funds. The Local Financial Department which made the original allotment for the work from Provincial funds, being of the same opinion as the Accountant-General, I am to request the sanction of the Government of India to the construction of the quarters in question from Imperial funds.

I have the honour to be,
Sir,
Your most obedient servant,

Secretary to Government.

2. I beg, however, to state that this amount will be required for the said work during the next year when it will be taken in hand.

Enclosure.

Copy of communication from the Executive Engineer, in charge, I Circle, to the Postmaster-General, Madras, dated 5th March 1899, No. 536 G.E.

Referring to your letter No. B.D. 1—1/42084, I have the honour to inform you that the construction of the building referred to has not yet been taken in hand. The site formerly selected for the building is found to be very unsuitable and consequently the Executive Engineer himself has selected a fresh site, a plan of which he has sent me for approval.

Under the circumstances, I have surrendered through the Chief Engineer, Public Works Department, the grant allotted for the building.

A plan of the site now proposed was forwarded to you with this office No. 507 G.E., dated 3rd March 1899.

Endorsement of the Accountant-General, Madras, No. 1258, dated 30th March 1899.

Forwarded to the Chief Secretary to Government, Financial Department. A fresh allotment from the budget grant for 1899–1900 is necessary. The charges on account of Post office buildings in the Public Works Department are Imperial—*vide* page 555 of the Civil Account Code.

Order—No. 1837 W., dated 15th July 1899.

The Financial Department, in its Proceedings No. 831, dated 28th September 1898, approved of the estimate of Rs. 1,480 for constructing a seventh-class Post office and Postmaster's quarters at Gokavaram in the Gódávari district and placed the amount at the disposal of this department from the District Post grant under Provincial funds. The rent calculated on the capital cost of the residential portion of the building having been found to be in excess of 8 per cent. of the salary of the occupant, the sanction of the Government of India to the construction of the quarters was applied for under rule 3, paragraph 17, Chapter X, Volume I, of the Public Works Code, and that Government was informed that the cost would be met from Provincial funds (*vide* G.O., No. 427 W., dated 10th February 1899). The allotment of Rs. 1,480 made by the Financial Department was not utilized during 1898–99, and the amount was surrendered in March 1899.

2. As the Accountant-General, Madras, now points out that in accordance with the statement on page 555 of the Civil Account Code, Volume II, the cost of the building should be charged to Imperial funds, the sanction of the Government of India will be applied for to the execution of the work from those funds. On receipt of this sanction, the Director-General of the Post Office of India will be requested to make the necessary allotment.
