From J. S. WILSON, Esq., Executive Engineer, Kistna Eastern Division, to the Superintending Engineer, II Circle, dated 29th April 1899, No. 92 S.E.

In reply to your No. 331 K.E. of 4th instant, I have the honour to resubmit the proposition statement for the temporary establishment required for 1899-1900 and to explain as follows:—

Sweepers.—Necessary corrections are made against this item. There are no extra sweepers applied for.

2. Cowtaram sub-division—like the other sub-divisions—has only two clerks sanctioned. As it is the heaviest sub-division in this division comprising of the whole of the old Gudiváda division, it is found from experience that with only two clerks the sub-division office is overworked, consequently I request you will be good enough to obtain sanction for the third temporary clerk included in the statement.

3. The entry regarding the third draftsman is expunged.

4. All the possible reductions in the workshop establishment are entered in the statement.

5. Regarding the necessity of these clerks, please see this office No. 335 S.E. of 5th August 1898.

W Please note that an extra clerk for Cowtaram sub-divⁿ is applied for. This sub-divⁿ has already two clerks. I dare say a third may be really necessary, but as you have refused to grant a second clerk to many sub-divⁿs where the need of one is much felt you may perhaps strike at the third applied for here

W L F

I do not remember having applied a second clerk to any sub-divⁿ. I am in the contrary, as the second clerk, though in person of them. But 3 clerks is another matter, & the need must be further proved

FURTHER PAPERS

Explanation showing the necessity for commencing
of Temporary Establishment in Western Eastern Division
as applied for in the proposition statement for

Item Nos 1. to 21. Workshop Establishment. This
was sanctioned in G.O. No 365 N of 6th February
1892 and continues till now. As it was proposed
by the Superintending Engineer that this Estab-
lishment should be reduced for 1899-1900, all
possible reduction has been made as detailed
in the proposition statement. As casual
skilled labour is not available in Bezwada
it is necessary to have a continued sanction
for the remaining Establishment for getting
good and reliable work done for the Public
Works.

Item No. 28. Punt writer. This post was
sanctioned in G.O. No. 1921W of 17th July 89 and
has been continued till now. A clerk is
required for the proper upkeep of Punt boat
for the preparation of punt bills and must
of the Punt crew, sanction for the continuance

and services is requested.

Item no 23. Stock Writer. This was sanctioned in G.O. No 1921 W of 17.7.89. and continues. His work consists of checking and preparing the monthly, half yearly and financial stock returns, preparing returns in Public Works stores &c. Continued sanction for the clerk's services is requested.

Item nos 24, 30, 31 and 32. 5 sweepers. The services of 4 sweepers for Krishna Eastern Division office, Cowdary, Northern and Southern Sub Division offices were sanctioned in G.O. No 1558 W of 21-6-98, and one sweeper was sanctioned for Halidindi Rest House in G.O. No 1926 W of 18-8-98 for 98-99. As the necessity for their services still exists, they may be continued.

Item No 25. Clerk to assist the Head Quarter Sub Divisional clerk. This appointment was first sanctioned in G.O. No 1149 W of 14-9-96. As the work in the sub Division is too heavy for one clerk the assistance of the clerk is necessary in checking measurement sheets, for copying and despatching letters &c.

Part of items nos: 26 + 28. Temporary clerk in

Temporary clerk at Rs 20.

The retentment of these clerks was sanctioned in G.O. No 1571 W of 25.1.94. Temporary clerk at Rs 40 is employed in maintaining the records and the clerk at Rs 20 is working at the Accounts Branch. The necessity for the retention of these clerks was fully explained in this office No 644 of 28.8.98 and the continued sanction for the services of these clerks is requested.

Part of item 26. 1 clerk at Rs 40. The employment of this clerk was sanctioned in G.O. No 1608 W of 28.6-94 and is employed chiefly in posting up Comptroller's Registers and checking award statements and water applications.

This work has been increased owing to the amalgamation with this Division of all work at the Head Quarter Sub Division of the Krishna Northern Division and therefore the continuation of this clerk is absolutely necessary.

Item No 27. 1 clerk at Rs 30. The employment of this clerk was also sanctioned in G.O. No 16 W of 28-6-94 and continues till now. The clerk

is employed in checking vouchers, writing up audit notes, filling in expenditure Progress Reports, preparing expenditure schedules and schedule Dockets. The continued employment of this clerk is most necessary especially since the amalgamation of the Head works with this Division.

Item No 29. 1 draftsman at Rs 30. The entertainment of this man was originally sanctioned in G.O. No 5874 of 12.3.90. to cope with the additional work caused by the amalgamation with the Eastern of the old Gudniada Division. As the work has now been further increased by the addition of the head works, sanction for his retention is requested.

Item No 33. 1 Boat Superintendent at Rs 150. In G.O. No 2517 of 7th September 1927, the appointment of a Boat Superintendent at Rs 150 was sanctioned and sanction for the continuance of this appointment for the ensuing year is requested.

Item No 34. Boatman sub Division like the other sub Divisions has only two clerks sanctioned. As it is the heaviest sub Division in this Division comprising of the whole of old Gudniada Division

No 384 P. W.

it is found from experience that with only two clerks the sub Division office is overworked, consequently sanction for this temporary clerk is requested.
