From O. C. LEES, Esq., Under Secretary to the Government of India, Public Works Department (Civil Works—Irrigation), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 26th June 1899, No. 639 C.W.I.

The Governments of Madras and Bombay, Public Works Department, General Branch.
The Governments of Bengal, the North-Western Provinces and Oudh and the Punjab, Irrigation Branch.
The Government of Burma, Public Works Department, General Branch.
The Chief Commissioners of the Central Provinces, Assam, and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General for Rajputana, Central India, and Baluchistan.

The following letter is circulated to the Local Governments and Administrations named on the margin for information.

ENCLOSURE.

From J. J. ROLINS, Esq., Managing Director, Phoenix Foundry Company, Limited, to His Excellency the Right Honourable the Governor-General and Viceroy of India, Calcutta, dated Derby, 19th May 1899.

The Phoenix Foundry Company has recently developed an important system of pressing steel plates for forming irrigation pipes, and have supplied the Crown Agents for the Colonies with them for the Uganda Railway, and also to the Rhodesian Railways. Your Lordship will perhaps excuse the liberty we have taken in bringing this matter before you, but we believe the Indian Government have important Irrigation Works in hand.

ORDER—No. 1858 W., dated 19th July 1899.

Communicated to officers of the Public Works Department for information.
