SUBJECT

Note - With the sanction^h of fort. large quantities of bricks have from time to time been supplied to the Madras Municipality from the fort brick fields. The bricks have hitherto been issued at $24\frac{1}{2}$ p.c. over stack rates.

Soliciting the order of
Govt. for the supply of
about 12 1/4 laas of brick
to the Madras Municipality.

The present is a large
order & it will take over a
year to comply with at a lac
of

✓ 45280

of bricks per mensem. The Consulting Architect therefore proposes to charge a rate which will be sufficient to cover losses, establishment & tools & plant charges. This is done apparently, as it may be necessary to raise the rate in the rainy season to prevent any loss. Submitted that the Comg. Architects proposal may be sanctioned on the understanding that the rate will not under any circumstances be less than 24½ p.c. over stock rates. This will leave it to the Comg. Architect to raise the rate if he thinks it is necessary to do so.

Office of the Consulting Architect to Govt.,
Chepauk, Madras,
8th July 1899.

No. 1195.

From
G. S. T. Harris, Esq.,
Consulting Architect
to the Government of Madras,

To
The Chief Engineer
P.W. Department
Madras

Sir,

Enclosures.

I have the honour to state that an application has been made to this office by the Madras Municipality for the supply of about 12¼ laos of bricks, the bricks will be supplied in quantities, say, about a lao per mensem without detriment to government works, a rate will be charged sufficient to cover losses establishment charges, tools & plant.

Soliciting the orders of Government
I have the honour to be
Sir,

Your Most Obedient Servant
G. S. T. Harris
Consulting Architect to Govt.
